

## **Background of the "Who I am in Christ" booklets:**

"The verses in the booklet were given to me about 20 years ago by an older Christian lady named Lillian in Florida. Looking back, I truly don't remember how I even met her - it was one of those "God Things". At the time, I remember thinking that some day it would be put in a booklet form and distributed far and wide. Over the years, it has been put in a booklet form 3 or 4 times. I give all glory to God because each time it happens fast and pulls together easily. This time when I felt God's urging to have it printed again, I felt it would really go far and wide and be translated into various languages easily through the computer. Just a few weeks ago that capability has come to be - Praise the Lord - and it is currently being translated by a young lady evangelist - Naomi - in Pakistan. She is asking for 100,000 copies of it! Also a young evangelist in Kenya is translating it at the cybercafe, as his house mysteriously burned down within the last month when he was off preaching in an area that is an enemy stronghold and where other Christians tend to avoid. His name is Wilfred and he is so determined to get this booklet all over Africa! I stand amazed. If you think of this on-going project to blanket God's world with the truths of His Word found in this little red booklet, please pray. My heart is that it is never sold, but only given freely. God wants us to realize our identity when we are truly ONE with Him. I will remain simply "Kibby".
