I'VE GOT JESUS

© 2005 words and music by Michelle Behrenwald

I've got Jesus
I've got Jesus
I've got Jesus
On my side
I've got Jesus
I've got Jesus
I've got Jesus
On my side
I've got Jesus – on my side

In whom shall I fear – I've got Jesus on my side!

I've got Jesus
I've got Jesus
I've got Jesus
On my side
He's the author
He's the author
I've got Jesus on my side
He's the finisher
He's the finisher
I've got Jesus on my side

He's the author and the finisher of my faith

I've got Jesus
I've got Jesus
I've got Jesus
On my side
It is finished
It is finished
Jesus finished it on the cross
It is finished
It is finished
I've got Jesus on my side
It is written
It is written
Jesus wrote it on your heart
It is written
It is written
Jesus wrote it on your heart
Jesus wrote it on your heart
Jesus wrote it on your heart

LET FREEDOM ROAR †
SONG LYRICS

Jesus is the Word, and the Word was with God and the Word was God. Jesus is the Word and its written – it's written in the Bible and the Bible tells us so. It's written on your heart. His Word is unchanging truth! He wrote it down- He wrote it down – it's living word – It is living, powerful word.

It is living
It is living
It is living, written word
It is powerful
It is powerful
It is living, written word

I've got Jesus
I've got Jesus
I've got Jesus On my side
I've got Jesus
I've got Jesus
I've got Jesus On my side

BE STILL AND KNOW

© 2005 words and music by Michelle Behrenwald

Be still and know that I am God
Be still and know that I am God
Life rages and roars—
Be still and know that I am God
Be still and know that I am God
A solid rock on which you stand—
Be still and know that I am God
Be still and know that I am God
I am for you not against you
I am for you not against you
Be still and know that I am God
My heart pours out to you with Love
My child, my beautiful child
Be still and know that I am God
A new song I sing to you from above
Be still and know that I am God
Be still and know that I am God
The waves are high
The waves are low
Still I am God
Still I am God
Be still and know that I am God
Be still and know that I am God!

LITTLE BRANCH:

© 2005 words and music by Michelle Behrenwald

I'm just a little branch hanging on the true vine
I'm just a little branch hanging on the true vine
Drinking of his sap which represents His love
I'm drinking of His sap which represents His blood
I'm just a little branch hanging on the true vine
Growing big and bigger as I drink the new wine
I'm just a little branch hanging on the true vine
Growing new fruits as I drink the new wine
Living water pumping through my veins
Living water pumping through my veins
I'm a growing branch hanging on the true vine
I'm a growing branch hanging on the true vine

Pruning shears are coming – cutting out the dead

BLESSED

© 2005 words and music by Michelle Behrenwald

Oh I'm blessed in the city
And I'm blessed in the country
Oh I'm blessed in the city
And I'm blessed in the country
Only because I'm a child of God
Only because I'm a child of God
I'm blessed in the city
And I'm blessed in the country
I'm blessed in the city
And I'm blessed in the country
Only because I'm a child of God
Only because I'm a child of God
He's the king of kings
He's the Lord of Lords
And I'm His child
He's the King of Kings
He's the Lord of Lords
And I'm His child
For I obey His Word
Oh I obey His Word
And I'm blessed in the city and I'm blessed in the country
I obey His Words
I obey His Words
And I'm blessed wherever I go
I'm blessed wherever I go
Because I stay in His Love
Yes I stay in His Love
I stay in His Love
Yes I stay in His Love
I stay in His Love
Yes I stay in His Love
