

WHY DO THOSE WHO HAVE SERVED AND ARE SERVING REMIND ME OF JESUS? BECAUSE:

Both are into life and Freedom — Freedom that we know is never free!

- God gave His best (Jesus) so that we might live.
- They give their best so that we might live in peace and be free.

They give of themselves that it might be well with others.

- John 15:13 says, “Greater love has no man than this; that a man lay down his life for his friends...”
- In fact, they are willing to give their best and sacrifice it all for others—
 - Even those they don’t know
 - Even those who betray, despise, spit on, reject and hate them
 - Just as Jesus willingly did the same.
- They are willing to leave their families for a time and fight for others—
 - Just as Jesus left the Father to die for us and become our family.

They love in deed and not just word.

- They go about doing good.

They serve God, their country and their generation

They fight to win – and keep fighting until victory is achieved

- Unless politicians get involved.

They take the Long View

- It is not just about today’s battle, but about creating and securing our future.

They are into real PEACE — God’s kind of Peace — the Peace that makes things right.

- For I believe God hates evil more than He does the wars to stop it.
- As E. Burke once put it, “For evil to arise takes good men doing nothing.”
- But not these men and women, who are always doing something to stop evil and promote good.

They do what is right, no matter what others say and think.

- They care about doing right more than about being liked.
- They are courageous, valiant, compassionate, faithful people full of perseverance and strength.

They deserve our honor, respect and thankfulness.

- Freedom is never free — just ask Jesus.

*God Bless you and your families — May He keep and protect you in all your ways.
May He restore to you what was taken from you! In Jesus’ name, Amen!*
